

St Peters Dental Clinic

Our Policy of Payment and Care

Thank you for choosing St Peters Dental Clinic. Our primary mission is to deliver the best dental care available. An important part of the mission is making the cost of optimal care easy and manageable for our patients by offering several payment options.

Payment Options:

You can choose from:

Cash, debit or credit card, or direct bank transfer for larger sums (by arrangement)

We offer a 5% courtesy reduction to patients who pay for their treatment with cash or credit card prior to completion of care for treatment plans of \$2000 or more.

Alternatively, we offer HUMM financing for treatments over \$2000.

For patients with dental insurance we are happy to work with your carrier to maximise your benefit and provide you with the documentation you need to receive reimbursement for your treatment.

Payment is due on the day of treatment unless other arrangements have been made.

The title of goods, services and work undertaken does not pass to you till full payment for them has been made. Interest will accrue at the rate of 10% on any payments outstanding for over a month. You agree to pay all expenses, costs and disbursements incurred in recovering money you owe us including debt collection agency fees and solicitor costs.

A fee of \$60 is charged for patients who miss or cancel more than 3 times in a calendar year without a day's notice.

These measures are necessary to maintain our high standard of care, and focus our energy on you and your dental needs.

If you have any questions, please do not hesitate to ask. We are here to help you get the dentistry you want and need.
